QUALITY, SAFETY, OCCUPATIONAL HEALTH, AND ENVIRONMENT POLICY

Marineast Vallianz Offshore Co., Ltd. is dedicated to maintaining the highest standards of quality, safety, occupational health, and environmental sustainability in all our operations. This commitment is central to our mission of providing reliable marine and offshore services while safeguarding our employees, stakeholders, and the environment.

Our Commitment

Quality: Provide services that meet or exceed customer expectations, prioritizing continuous improvement.

Safety: Create a safe work environment by following strict safety standards and fostering a strong safety culture.

Occupational Health: Encourage the physical and mental well-being of employees through proactive risk management.

Environment: Reduce environmental impacts by implementing sustainable practices and adhering to regulations.

Key Objectives

- Ensure safety and health by following strict protocols to prevent accidents, injuries, and illnesses.
- Ensure compliance with all applicable laws, regulations, and industry standards.
- Enhance QSHE performance consistently by conducting regular monitoring, audits, and reviews.
- Encourage and enable employees at every level to actively participate in achieving QSHE goals and initiatives.
- Engage in open communication with stakeholders regarding our commitments and achievements in Quality, Safety, Health, and Environment (QSHE).

Responsibilities

Marineast Vallianz Offshore Co., Ltd. holds all employees and contractors responsible for adhering to this policy. Leadership will provide the necessary resources, training, and support to effectively implement and maintain our QSHE management system.

We are committed to excellence in quality, safety, occupational health, and environmental performance, ensuring sustainable growth and value for our stakeholders and health protocols.

This policy will be reviewed and updated on a regular basis to ensure it aligns with changes in business operations and adheres to industry best practices.
